Dear Yuba City High School Families,

As you are aware YCUSD has elected to close all schools until at least April 13, 2020 in order to safeguard our families and community as much as possible from the spread of the COVID-19 virus.

I want to assure you that YCHS will be mindful of the lost learning time, grades, and missed school activities and will work hard to restore a sense of normalcy as soon as possible as directed by YCUSD.

Additionally, I will work closely with teachers and staff to ensure students do not suffer any unintended academic penalties during this time and that we continue to fully support all students in an equitable manner and to the best of our ability.

Updates regarding school closure and services will be messaged through YCUSD directly. Please check the district website, look for emails, and listen for messages in the days ahead.

My concern and sympathy to you all and your families during this difficult time,

Mr. Pogue, *Principal*
